To-Do Bitches
-Announcement was made 5/6/24 on BTS -Go over OBS tips and tricks -Talk about boost overlay- ericpp's boost alert! boost alert! -Talk about stream theme etsy link -Boost Tally -Blockchain materials brainstorm- split kit -Splash page for bands and production crew -Talk about what the show will actually look- game plan slide -Brainstorm Pre-Show ideas- NA -More write ups (post mirrorball one) (More promo for skirmish) -Make Promo material/presskit that bands can post and send out to people- something like the "how to play" directions/art/poster -Pick out a test stream date? -Assign Roles/ discuss what needs to get done in the next week?

Reach Out
-Steven about splash page -cottongin obs test with twitch links vs youtube vs feedbag -gather how to boost docs to streamline into "How To Play" - gather cloudflare cost, how much to open 8 accounts

Notes
-Prioritize spilt kit as the main boost? -gift stream keys? ***-Rehearsal is for losers*** -27-29th test stream? Look at boobs work sched more -Top 3-5 things on bts -Direct links for twitch? Or better yet we build cloudflare out to handle all the streams
